The Old Way Was Cheaper.
 The good old days of the rheumatic are gone. He no longer totes a raw potato in his pocket. He goes to his doctor, his doctor sends him to the tonsil expert, the tonsil expert sends him to the X-ray expert, the X-ray expert sends him to the dentist, and the dentist returns him to the doctor, and the doctor sends him to the drug store. It's the life, boys.—Houston Post.

IMPORTANT INFORMATION FOR OWNERS OF TRUCKS

A provision of the new automobile law went into effect on the 17th of June, which should have the attention of truck owners at once, to avoid payment of a penalty. The section in question requires that the load capacity of all trucks shall be painted upon both sides of the machine in letters and figures three inches high, "capacity tons."

Truck owners have gotten the wrong information to the requirements of the new automobile law in regard to use of mirrors, and are writing in to the Automobile Department asking that the same be forwarded them at once. The mirror first of January, 1921, and will not be ready until the 15th of November.

Widely-Known Singer to Be Heard at Chautauqua

LOUISE STALLINGS.

Louise Stallings, widely-known lyric mezzo-soprano, will appear in recital on the third night of the coming Redpath Chautauqua, assisted by the Mendelssohn Trio.

Louise Stallings is a notable artist, who has won the hearts of Chautauqua audiences.

THE ANONYMOUS LETTER WRITER.

I'm the guy who writes anonymous letters.

I like to stir up trouble and I can do it in that way without getting into it myself.

Sometimes I do it for revenge, but often it is just out of pure cussedness. Sometimes it's to take a wallop at someone I don't even know.

If I can break up a home, or blacken a reputation, I feel that I've accomplished something. If the unpleasant consequences are shared by someone I'd overlooked, so much the better.

I don't necessarily stick to the truth, for that might hamper me, and I always try to make my work effective. A little lying goes a long way, if it's handled right.

I can tell a lot of things I would not dare to if I signed my name, and make a lot of statements I don't have to prove. My anonymity protects me, so I should worry!

THE BEST PROOF

GIVEN BY A PARIS CITIZEN

Doan's Kidney Pills were used—they brought benefit.

The story was told to Paris residents. Time has strengthened the evidence.

Has proven the result lasting. The testimony is home testimony. The proof convincing.

It can be investigated by Paris residents.

Mrs. J. T. Martin, 1024 Main street, says: "Kidney trouble came on from a fall and the results were very severe, causing me more suffering than the fall itself. No one can ever know what I went through at that time, for I suffered awfully. My back ached and pained until I thought it would break in two. Sharp twinges shot through my kidneys and if anyone had hit me in the back with a heavy axe, it couldn't have hurt worse. In one week after using Doan's Kidney Pills, I felt like a different woman, for they fixed me up in fine shape."

After a Lapse of Eight Years. Mrs. Martin said: "Doan's Kidney Pills have made a cure for me and it has been permanent."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Martin had. Foster-McLburn Co., Mfrs., Buffalo, N. Y. (adv)

PLATINUM MORE USED BY DENTISTS THAN JEWELERS

Twice as much platinum has been used in dentistry as in jewelry. This statement by Dr. Frederick Kunz, of Chicago, in a recent report on precious stones and minerals will prove a surprise to the public. In view of the fact that for several years platinum has been the favorite setting for diamonds and the most fashionable form of jewelry.

The estimates cited by Dr. Kunz, which he considers too low, are that of the 5,000,000 or more ounces of platinum in existence, catalyzing process have claimed 500,000 ounces, dental uses 1,000,000 ounces, chemical apparatus 1,000,000 ounces, electrical devices 500,000 ounces and jewelry 500,000 ounces. At \$105 an ounce, the minimum price set by the Government, the value of the metal consumed by dentistry is \$105,000,000, as against \$52,500,000 used in all the platinum jewelry in the world.
